" If we really want to love we must learn how to forgive "

If you can not feed a hundred people,
then just feed One

Mother Teresa

*Mother Teresa is a wonderful lady
On this earth all people know her name.
The Nobel Peace Prize she has gotten
Her beautiful smile always on her face
Every pray she prays for others
Raised money to get food to the poor*

*Truthfulness was all in her heart
Everything in heart is great
Reward she never think
Every day she takes care the patient
She loves all the people in the world
Although they are not perfect*
