

Michael Jackson is a pop singer in the world.
I find his fans like to watch his performance.
Can make fans go mad and crazy.
His famous performance is moon walk.
Appearance of MJ's skin was strange.
Evoke many people to discuss his skin's colour .
Lots of his albums were popular in the world .
Janet Jackson is his sister and sang together.
American feel proud of MJ's contribution.
Can you imagine how much he earned .
King of pop is MJ's nickname.
Singing Songs alike playing instruments.
On June 25, 2009, MJ died in his bed.
No one forget his sound and figure.
